### **CONSENT OF PARTICIPATION IN THE TEEN OUTREACH PROGRAM AND SURVEYS & DATA COLLECTION**

I understand that my son/daughter may participate in the Teen Outreach Program (TOP), replicated at Stranahan High School, provided by Hispanic Unity of Florida and owned by Wyman Center, Inc (Wyman) as part of the After School program. During the time your child may spend in the TOP group, young people will explore their own growth and development, their goals for the future, and their goals for close and productive relationships with others. This program has been evaluated nationally and has shown very positive results for young people. This unique program will involve your child in volunteer work in the community. This work may occur off school grounds. The program promotes progress in school and avoidance of behaviors which hinder your child's most successful growth and achievement.

I give my consent for my child to participate in Wyman surveys. In compliance with Children's Online Privacy Protection Act (COPPA), Wyman provides the following information to survey participants. Wyman Center, Inc. operates a secure environment to collect and store information from student participants in its Teen Outreach Program. Wyman collects the following types of information directly from TOP participants through online surveys: Opinions about their experience in TOP; Demographics (zip code, ethnicity, gender, most frequent guardian, parents' educational level); School records (grade in school, absences, truancy, suspension, course failure, graduation and schooling plans); and Health information (pregnancy, parenting). Wyman uses the participant's responses to improve the Teen Outreach Program. I understand that survey and data collection is voluntary and that my child may choose to participate or discontinue participation at any point in the process without risk of losing Wyman's services. I am also aware Wyman will not require my child to disclose more information than is reasonably necessary to participate in TOP as a condition of participation. I am aware Wyman will use and may share responses with third parties to market TOP to increase awareness and funding and that Wyman will not disclose my child's identifying information to third parties or program staff. I also understand that the associated risks for my child to participate in this survey is minimal and will not exceed any discomfort that may be found in any daily life situations when answering routine survey questions. For a sample report on how Wyman compiles and reports this data, go to [www.wymanatop.org](http://www.wymanatop.org).
